Mr. John McCrum, Jr., has returned from a business visit in Texas and the southwest. He was the only Wheeling man who witnessed the Fitzsimmons-Maher battle.

A Wheeling man received a letter yesterday from a relative in Los Angeles, dated last week—when Wheeling was getting a taste of zodiac weather—telling of the weather there; the thermometer got as high as 91 last week. What a difference!

Henry Schaller received the sad intelligence from Harry Houser, at Philadelphia, yesterday that his brother Ellwood is lying at the point of death in the German hospital at that place. He is suffering from dropsy. Mr. Schaller is forty-seven years of age and has been engaged in newspaper work in Philadelphia for about fifteen years. He is married and has five children.

In the Circuit Court.

In Judge Campbell's court the case of W. H. Chapman vs. the J. W. Belts & Son Co., again occupied the entire day's session.

The Feast of Purim.

To-night occurs the joyful feast of Purim, which is duly celebrated by all Jewish people. At 7 o'clock p. m. services will be held at the synagogue during which time the book of Esther will be read, thus giving an account of the origin of the feast. The ladies of the Mordecai Club members will entertain their children at their hall and a general good time may be looked for by young and old.

To Make Arrangements.

President Bullfinch Quarrier, of the chamber of commerce, was seen yesterday afternoon, and said that he would confer with Secretary Hazlett regarding the raising of funds with which to defray the expenses of the entertainment of the congressional rivers and harbors committee on the occasion of their visit to Wheeling next month. He will appoint committees this week who will have the entertainment in charge. The principal feature will be the banquet on Tuesday evening, March 17. It promises to be an elaborate affair. Rivermen, generally, predict that the visit of the committee to the river will be productive of much good.

THE REPUBLICANS

Will Hold Their Primaries on April 25 in Ohio County.

COMMITTEE MET LAST NIGHT

And Fixed the Date—Some Other Local Political Matters of Interest—Candidates for Delegates to the National Convention—The State and District Conventions will be at the Same Time and Place.

The Republican county committee held a well attended meeting last night, to discuss the matter of holding the primaries. Nearly all of the candidates who have so far announced themselves were present. Some favored a very early date for the primaries, while others wanted to delay them till the latest date possible. It was finally decided to hold the primaries April 25, which is sort of "splitting the difference." At these primaries all the candidates for county offices will be chosen, except those for the house of delegates. The manner of choosing them was left to be decided at a future session.

The number of candidates for county commissioner in the various districts is one of the many evidences of the interest Ohio county Republicans are taking in the matter of making up a county ticket. The latest announcements are those of Capt. W. H. Haller and Mr. P. B. Dobbins in Clay district. A strong pressure has been brought to bear on Mr. Dobbins, who is a member of the present board, to stand for reelection, and he has at length consented to become a candidate. Mr. Haller had already announced his candidacy.

Mr. Henry Schmutbach has been put forward as a candidate for district delegate to the Republican convention at St. Louis, and not for delegate at large, as has been erroneously announced. Mr. George Wise, who had been spoken of in that connection, and whose friends desired to support him, has declined to be a candidate. Mr. J. C. Brady is a candidate for delegate-at-large.

The two conventions will be held at Clarksburg. The state convention having been set to be held there. It was thought wise not to put the delegates to the cost of attending two conventions at different places. The delegates from Ohio county will be the same in both conventions. It is thought there will be no antagonism among the Ohio county representatives as to the delegation they will support.

EX-PRIEST SLATTERY.

His Lecture Last Night to Men Only—Mrs. Slattery To-day.

Last evening Rev. Mr. Slattery gave his second lecture at the Egerton hall. It was to men only, and the hall was again well filled. The talk was quite free from abuse, but was full of humor and kept the audience laughing almost steadily.

This afternoon Mrs. Slattery, who was known as Sister Mary Elizabeth, when she was in the convent, will give a lecture in the same hall for women only, and this evening the ex-priest will lecture to men only, his theme being "Do Priests and Nuns Ever Love?"

"The Fire Patrol."

"The Fire Patrol" which will be the attraction at the Grand next Monday, Tuesday and Wednesday, is one of the strongest plays ever written by an American dramatist. The tone of the play is not sacrificed to sensational treatment, and it ranks with the best in quality as well as interest. All the old features which made it so popular when last seen here will be presented.

SIMON S. HARTMAN, of Tunnelton, West Virginia, has been subjected to attacks of colic about once a year, and would have to call a doctor and then suffer for about twelve hours as much as some do when they die. He was taken recently just the same as at other times, and concluded to try Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says: "I took one dose of it and it gave me relief in five minutes. This is more than anything else has ever done for me."
